

# Conscious Innovator | Qualities and Characteristics

Do these resonate with you?

- Feel as if I don't "fit" in the world.
- Have intuitive experiences, some intense, that I can't explain or know what to do with.
- Feel as if I am supposed to be doing "something" but do not know what that something is.
- Drawn to celestial information and astrology.
- Do not conform - "See through" and "do not buy into" the established structures of cultures, societies, and mass consciousness.
- Know "there is a better way".
- Being human is not my true identity - Impersonating a human rather than really "being" human.
- Feel like an outsider in my family.
- Highly sensitive and empathic.
- Visionary and highly creative.
- Little patience for drama.
- Strong desires, ideas, and passion to improve the world.
- Strong desire to go home - a home you don't know where it is.
